Dig into an all-new, mind-bending thriller from Hugo Award-winning writer **Sarah Gailey** and fan-favorite artist **Haining**!

Jill Hewett, community leader and wife of a respected police officer, has turned up with a gunshot wound in a tunnel connecting the Will Harbor Gated Community with the neighboring Open Arms Collective.

And now, the VP of the HOA and the Kitchen Steward of the Collective have stumbled upon her body at the exact same time—instantly casting blame across the divide.

Forced into an uneasy alliance to discover the truth, they'll need to work together to uncover the secrets both communities hold to figure out who's responsible for this crime—and what they could possibly gain from it. And what was Jill doing in that tunnel in the first place?
